

2010 FIREWORKS FUND CAMPAIGN

The Fireworks Fund campaign has kicked off and the Fireworks Committee is dedicated to providing a spectacular Fireworks Display for the family, friends and neighboring communities of Marine City.

The Fireworks Fund Goal is aimed at \$16,000 to provide the quality show we have traditionally "wow-ed" audiences with in the past.

The Fireworks display will take place on **Saturday night, August 14th**, on the banks of the St. Clair River during Maritime Days. So many people have traded in their long distance vacation to attend events and activities closer to home; our goal is to give them a fabulous show worth staying home for!

Donations from visitors & residents like YOU have made the Marine City fireworks a magical event; help us reach this goal again.

Donations may be dropped off at or mailed to the addresses below:
