More than 4,000 senior citizens from the southern end of the county have attended computer classes in our media room; participate in quilting, cards, bingo, pottery and art classes. In addition, our seniors participate in our Yoga and exercise programs, dance, Zumba, volleyball, basketball, and the ever popular pickleball that keeps our gym busy throughout the day and four evenings a week. Our center accounted for 23,654 program units from the City of Marine City. The overall county-wide program units for the 2014-15 fiscal year was 93,620.

We truly appreciate your continued support and value our community relationship. Your donation helps the center provide quality programs for the senior citizens.

Sincerely,

Laurie Adair, Supervisor

PLEASE ADD TO BOARD PACKET FOR MARINE CITY COMMISSION MEETING OF 6-16-2016

FROM:
Philip Oleksiak,
S. Parker Street
Marine City, MI

TO:
Marine City,
City Commission

Dear Commission,

PEG, you may or may not know stands for Public, Education, and Government. That is what your local Channel 6 is, the place that the public, people with educational oriented topics, and government have access to for local television programming. I am stating up front that I am strongly opposed to cutting the contract between the city of St. Clair and Marine City that provides this service.

To note Marine City has an agreement with St. Clair because the Channel 6 Studio is located in St. Clair along with the Channel 6 head end for the City of Marine City. It was more economical to have one studio location for two close towns then two separate studios. Marine City controls its own programming however and St. Clair maintains control of theirs. If anyone would like to see a copy of this contract it's a public document available at City Hall. Just ask the city clerk for a copy or you can even request it be emailed to you.

FRANCHISE FEES AND AGREEMENT

It is important to mention that money to operate Channel 6 in Marine City does not come out of the General Fund. It's actually an accumulated portion (5%) of gross of your monthly Comcast cable bill. Yes you as a cable subscriber are paying to have Channel 6, not the city of Marine City, but you the cable subscriber via your cable bill. Every month you pay a (5%) of gross franchise fee on your cable bill. Satellite does not have this fee but also does not carry Channel 6. However even if you are a resident with satellite you would still have access to utilize your local cable station because you reside in the town it serves.

After the accumulated money is collected from Comcast it is given to the City of Marine City annually. The amount currently is roughly \$60,000, how much the local television station gets is a negotiated agreement between the station and the city. Currently the agreement is 50/50. That means \$30,000 of this does go to the city of Marine City for use how the city seems fit, and the other \$30,000 is given to the city of St. Clair, who in turn gives it to Channel 6 to support programming in Marine City.

Furthermore it is important to mention that if the agreement between St. Clair and Marine City is cut, you as a citizen will still pay the (5%) of gross franchise fee. This is due to the current franchise agreement between the State of Michigan and Marine City, the most current agreement has been in force since 2009. However the concept has been around a lot longer. A copy of this agreement is a

PLEASE ADD TO BOARD PACKET FOR MARINE CITY COMMISSION MEETING OF 6-16-2016

public document and can be obtained thru your local Channel 6. Also the state agreement ensures public access is done fairly and objectively.

If the contract is cut the annual franchise money collected by the city which is currently \$60,000 will all go to the city of Marine City for them to use as they see fit. The local Cable Channel 6 will not get a dime of it and you as a citizen may lose access to your local Channel 6, just how much lost access has not been determined at the current time this letter is being written. In summary you will still be paying the same franchise fee with only partial to no service for it.

POSITIVE IMPACTS

Channel 6 provides a positive impact to the community by allowing people to volunteer for the station. Being that it is a PEG station they can always use the help and open to people who want to make their local PEG station be all that it can be. I volunteered myself for Channel 6 from the years 1999 – 2004, and will state that is a very positive experience that opened up doorways for me later in life. They teach a variety of television production skills along with respect and team work.

TECHNICAL GLITCHES

I have heard talk about some of the commissions meetings not having audio and or low audio. This however may not be the fault of Channel 6. You have to understand how the signal is sent out to and from Comcast to see why.

The studio in St. Clair is a form of a head end for both Marine City and St. Clair. A head end is nothing more than a place where a cable signal leaves the property in order to be routed to and broadcast to homes hooked up on the cable network. The signal that leaves the studio from St. Clair actually is sent to a Comcast head end property in New Haven. It is from that point the cable signal is routed on proper paths to reach homes on the network. Now as you can see you are dealing with two head ends which means, the signal coming from St. Clair could be good, but a problem in New Haven can effect what you see on TV. That is why when you witness technical issues with Channel 6, it is imperative that you call the station (810) 329 – 5297 and inform them as the problem may not be there fault, but they can take the right steps to begin the resolution process. Also a good way to check and see if it is most likely a transmission issue is to view Channel 6 programs online at <http://watchctv.org/>

SUMMARY

As you can see ultimately Channel 6 is here because of the money you pay out of your cable bill. As stated before even if the contract gets terminated, you as a cable subscriber will still pay this franchise fee on your cable bill. It is the people's PEG station that does a lot of positive good for the community and surrounding area and should be kept.

Thank You

Philip Oleksiak

HIGHLIGHTS FOR COMMISSIONERS

1. Money to support Marine City programming on Channel 6 does not come out of the general fund. It is an annual franchise fee currently in the amount of approximately \$60,000 dollars in which \$30,000 is kept by Marine City and \$30,000 given to the City Of St. Clair. St. Clair then gives it to Channel 6 for Marine City programming. A copy of this agreement can be found at the Marine City, city hall. The franchise agreement with the state can be found at Cable Channel 6 St. Clair.
2. The \$60,000 that amounts to the annual franchise fee is paid for by the cable subscriber. Every Comcast subscriber in the area pays a franchise fee, it is at a rate of about (5%) of gross. These collected fees are what is turned into the city of Marine City at the annual due date for the franchise fee that Comcast pays.
3. Channel 6 provides numerous opportunities for people to volunteer at the station. They also provide and enriched and mentoring learning environment for people to learn the basics of television production while serving their community.
4. If you see a technical glitch such as bad picture or little to no audio, call the station at 810-329-5297. The issue may not originate from the Channel 6 station as it goes through a head end in New Haven, MI before being transmitted out to cable subscribers.
5. For anyone that is looking for more detail please see the attached letter with this that discusses Channel 6 in more depth.

**City of Marine City
City Commission
June 2, 2016**

A regular meeting of the Marine City Commission was held on Thursday, June 2, 2016, in the Fire Hall, 200 South Parker Street, Marine City, Michigan, and was called to order by Mayor Skotarczyk at 7:00 pm.

After a prayer offered by Commissioner Lovett, the Pledge of Allegiance was led by Mayor Skotarczyk.

Present: Mayor Raymond Skotarczyk, Commissioners Terrance Avery, Elizabeth Hendrick, Dianne Lovett, Raymond Meli, David Simpson, James Turner, City Manager Elaine Leven, City Clerk Kristen Baxter

Absent: None

Communications

The following Communication were received:

- Proclamation ~ Edward Terhune
- Pending City Commission Agenda Items
- Master Plan Letter
- Certificate of Membership ~ MML
- Michelle Dietlin

Motion by Commissioner Lovett, seconded by Commissioner Turner, to accept and file the Communications. All Ayes. Motion Carried.

Public Comment

Mike Hilferink, 218 Pleasant, commented that with blight issues and bad roads, it was time for new direction and leadership for the city.

Louise Beutell, 535 N. Main, announced an update to the Beach Fun Raiser and said that a total of \$32,000 had been raised (including matching funds).

Bill Haas, 203 Pleasant, spoke about rental properties and landlords, sidewalks, and a tax for waterfront maintenance. He volunteered his time in an effort to bring about rental reform for the city.

Terence Dawe, 617 Carroll Street, announced that he was running for the position of Mayor of Marine City. He said it was time for Marine City to go in a new direction.

Gary Kohs, 430 S. Water Street, said it was his goal to make Marine City the number one community in the State of Michigan within two years. He spoke about an alternative of televising City Commission meetings and asked to present it at the June 16, 2016 meeting.

Approve Agenda

Motion by Commissioner Lovett, seconded by Commissioner Turner, to add Life Ring Station Communication to the Agenda as item #10-J. All Ayes. Motion Carried.

Motion by Commissioner Lovett, seconded by Commissioner Simpson, to approve the Agenda, as amended. All Ayes. Motion Carried.

Approve Minutes

Motion by Commissioner Lovett, seconded by Commissioner Simpson, to approve the City Commission Budget Workshop Minutes of April 26, 2016, the City Commission Budget Workshop Minutes of April 27, 2016, and the City Commission Regular Meeting Minutes of May 19, 2016, as presented. Consent Agenda

The following Consent Agenda items were presented:

- TIFA Minutes ~ April 19, 2016
- Business License ~ Captain Dave's Beach Cafe
- Business License ~ Triple Star Trotting Trolley

Motion by Commissioner Lovett, seconded by Commissioner Simpson, to accept the Consent Agenda and file, as presented. All Ayes. Motion Carried.

UNFINISHED BUSINESS

Maritime Days Site Plan

Commissioner Simpson spoke on behalf of the Maritime Days Committee and announced that an outdoor movie was being added to schedule on firework night.

A discussion then ensued regarding concern by business owners on the placement of vendors in the street. Mr. Simpson replied that the committee had worked up a plan where vendors in the street were being spaced out so as to not block businesses, to their best ability, due to the limitations of power and water sources.

Commissioner Lovett pointed out that an expense and profit report had been requested, but had not been provided, by the Maritime Days Committee. She said, as a non-profit organization, there should be accountability. She also expressed concern over the protection of runners in the 5 K River Run.

Commissioner Turner suggested that the event schedule be communicated with the downtown businesses, especially those affected by the closing of the streets.

Motion by Commissioner Simpson, seconded by Commissioner Hendrick, to approve the Maritime Days Site Plan, as presented. All Ayes. Motion Carried.

Maritime Days Fireworks

Motion by Commissioner Lovett, seconded by Commissioner Simpson, to approve the fireworks permit for Maritime Days. All Ayes. Motion Carried.

Water Street Trees

In a letter to the City Commission, DPW Superintendent Itrich informed them that additional research had been completed on what tree would work for the downtown area and, again, the Cleveland Pear was chosen as the best tree by local experts, as well as other municipalities within Michigan.

Commissioner Hendrick said there were numerous choices for trees and, due to the ban of the Cleveland Pear in many states, said it was irresponsible for the city to plant them.

Commissioner Simpson said he was in support of planting the Cleveland Pear and said a lot of time had been put into the decision making. He said, with proper management and follow through for the trees, it was the right decision.

City Manager Leven complimented DPW Superintendent Itrich and Elizabeth McDonald on putting together a very concise report on researching, planting, and spacing the trees.

Commissioner Turner suggested leaving the trees out, saying that they were nothing but trouble.

Motion by Commissioner Lovett, seconded by Commissioner Simpson, to approve of the plan to replant Cleveland Pear trees in the downtown area, as presented. Ayes: Skotarczyk, Avery, Lovett, Simpson. Nays: Hendrick, Meli, Turner. Motion Carried.

Commissioner Hendrick qualified her vote by reading a statement. The statement is attached to the meeting minutes.

Sidewalk Inspection Program

Commissioner Avery informed the Board that several minor modifications were made on the existing Sidewalk Inspection Program and a calendar had been set for the program.

City Manager Leven said there was a concern that the program would place a financial burden on some residents.

Mayor Skotarczyk commented that it sounded like a fair program – 30 years overdue.

Commissioner Hendrick asked for clarification for section 9, page 3 which addresses who is responsible for corner areas.

Commissioner Meli inquired if homeowners, who were making payments on the new sidewalks, could have the 6% interest fee waived.

Commissioner Avery inquired about areas within the city that were missing sections of sidewalks, or sidewalks altogether.

The modifications were as follows:

- Clarify Page 3, Section 9 (ADA ramps)

- Remove reference of Tetra Tech

Motion by Commissioner Simpson, seconded by Commissioner Lovett, to approve the Sidewalk Inspection Program, with several modifications, as stated above. All Ayes. Motion Carried.

Waive Permit Fees on DPW Roof and Library Air Conditioner

Motion by Commissioner Lovett, seconded by Commissioner Avery, to waive the permit fees for the DPW roof and Library air conditioner. All Ayes. Motion Carried.

NEW BUSINESS

Library Gazebo

Lois Kaufman, Branch Leader for the Marine City Library, asked permission for a gazebo to be built on the library property. Mrs. Kaufman reported that the concrete and the labor had been donated, and the rest of the funds would come from a memorial fund for Robert Foster. She said that no city funds would be requested. According to Mrs. Kaufman, the gazebo would be used for special programs and would provide wireless internet service to residents 24 hours a day, 7 days a week, thus encouraging people to use the library more.

Mrs. Kaufman also announced her retirement on July 30th after 30 years on the job.

Motion by Commissioner Avery, seconded by Commissioner Meli, to allow the Marine City Library gazebo to be built. All Ayes. Motion Carried.

Emergency Water Agreement

Motion by Commissioner Lovett, seconded by Commissioner Turner, to approve the Emergency Water Agreement with East China Township, as presented. All Ayes. Motion Carried.

City Commissioner and Mayoral Debate

Local businessman, Gary Kohs, announced the City Commissioner and Mayoral Debate, set for September 22, 2016 at the Washington Life Center. Mr. Kohs said the purpose of the debate was to inform people about who they were voting for.

Mr. Kohs also spoke about the voter registration drive he was coordinating with St. Clair County RESA students, Marine City High School Students, Riverview East High School students, and City Clerk Baxter. He said the goal was to bring voter awareness and put Marine City on the map.

Mayor Skotarczyk and Commissioner Simpson said they thought the debate was a great idea and would be happy to attend. Commissioner Meli said he would not attend the debate, and Commissioner Hendrick said the date may be a conflict.

Commissioner Avery thanked Mr. Kohs for his efforts in facilitating a larger election turnout, which would, in turn, help the Commission better serve the city.

Board Vacancies

Mayor Skotarczyk announced the following Board vacancies, effective June 30, 2016:

- Planning Commission > 3 Seats
- Tax Increment Financing Authority > 1 Seat
- Marine City Area Fire Authority > 1 City Commissioner Representative Seat
- Marine City Area Fire Authority > 1 Seat
- Library Board > 1 Seat
- Historical Commission > 1 Seat
- Zoning Board of Appeals > 2 Alternate Seats

Tetra Tech Contract

Ken Kingsley, Regional Office Manager for Tetra Tech, provided a contract for Water and Wastewater Operation and Maintenance Services for the city. Mr. Kingsley said the contract contained a 2.3% increase, due to a change in the employment index. He explained that the original contract was for 5 years and was renewed for an additional 5 years beginning July 1, 2014. Tetra Tech was able to hold the original price for 7 years and the increase would affect years 3-5.

Mr. Kingsely offered a solution to reduce the increase to 1.9%-2% by passing the responsibility of invoice payments to the city which would, in turn, reduce Tetra Tech's accounting fees.

Commissioner Avery commented that he was impressed that Tetra Tech had been able to operate for years without an increase. He said it showed good management.

City Manager Leven agreed that the city could take over the payment of invoices to reduce the proposed increase.

Mayor Skotarczyk asked that Tetra Tech bring back a revised contract at the June 16, 2016 meeting for consideration.

IT Contract

City Manager Leven reported that SYO Computer Engineering Services had presented a letter containing a reduction in costs for the city's Information and Technology Services, per her request. The letter explained that the 10% reduction of fees would equate to a savings of more than \$10,000 for the city, and would extend the contract for one year. City Manager Leven asked the Board, at this time, if they wanted to accept the reduced bid for an extended term, or bid it out.

Commissioner Turner said, due to the city's current budget, every service should be bid out.

Commissioner Simpson agreed and said it was the responsible thing to do.

Mayor Skotarczyk said the city should go out for other bids and asked City Manager Leven to bring them back to the Board for review.

Attorney RFP

City Manager Leven prepared an RFP for legal services for consideration by the Board.

Motion by Commissioner Avery, seconded by Commissioner Lovett, to proceed with the request for quotes for legal services. All Ayes. Motion Carried.

Commissioner Turner commented that this was not a reflection of our current City Attorney, but a request for cost purposes only.

Introduction of Ordinance No. 2016-03 (Pedestrian Rights of Ways)

Motion by Commissioner Simpson, seconded by Commissioner Turner, to approve the introduction of Ordinance No. 2016-03, as presented. All Ayes. Motion Carried.

Meeting Cancellation for July 7, 2016

Motion by Commissioner Simpson, seconded by Commissioner Turner, to approve the cancellation of the July 7, 2016 City Commission meeting date. All Ayes. Motion Carried.

Life Ring Stations

Resident Erin Doetsch presented a Life Ring Station Project, where life ring stations would be installed along the waterfront. She reported that the life rings, materials, and installation services, would be donated and the city would have zero cost impact.

Motion by Commissioner Hendrick, seconded by Commissioner Simpson, to approve of the life rings with the city's direction on installation. All Ayes. Motion Carried.

FINANCIAL BUSINESS

Disbursements

Motion by Commissioner Lovett, seconded by Commissioner Simpson, to approve total disbursements, including payroll, in the amount of \$139,847.46, as presented. Roll Call Vote. Ayes: Skotarczyk, Avery, Hendrick, Lovett, Meli, Simpson, Turner. Nays: None. Motion Carried.

CITY MANAGER REPORT

City Manager Leven provided updates on the following:

- Friends of City Hall replacing exterior lighting with LED with no cost to the city
- SEMCOG parking
- Beach volunteers needed for one more weekend
- Plans have been submitted for the beach pavilion
- Safe Routes to School still working on Chartier crossing
- Ad for Police Chief
- POAM contract
- Chasing down concerns and complaints
- Street ends can't restrict water access
- Demolition of house on S. William Street
- Collected money from office staff for flowers to be planted in front of city offices

COMMISSIONER PRIVILEGE

Commissioner Lovett shared that she received a warm, welcoming experience walking downtown over Memorial weekend.

Commissioner Hendrick recommended installing **No U Turns** signs downtown and an emergency phone at the beach.

Commissioner Avery thanked everyone who was putting forth effort in getting a larger voter turnout for the upcoming elections.

Commissioner Simpson thanked Ed Terhune for his service to the community and wished Lois Kaufman well in her retirement.

Commissioner Turner thanked Erin Doetsch for her efforts with the Life Ring Station Project. He said she saw a need for something and sought out help to get it done.

Commissioner Meli also thanked Erin Doetsch and said he appreciated what Commissioner Turner said about the benefit of not replanting trees downtown.

Mayor Skotarczyk said that the city was richly blessed with volunteers who help make the city a better place, and thanked all the groups and volunteers for their efforts and hard work.

ADJOURNMENT

Motion by Commissioner Hendrick, seconded by Commissioner Meli, to adjourn at 9:51 pm. All Ayes. Motion Carried.

Respectfully submitted,

Kristen Baxter
City Clerk

**FOR THE RECORD RESPONSE FROM COMMISSIONER HENDRICK
ITEM #9-C June 2, 2016**

I find it totally irresponsible for this community to put in a tree that has been identified as an invasive species by so many states and banned. The trees are currently listed on the Midwest Invasive Species Information System. It's obvious that people here don't care about the damage this can do to our environment and how the results can destroy local habitat. Haven't you learned from the phragmites, the emerald ash borer, zebra mussels, gobies ... the list goes on. It's very disgusting and disturbing for people who say they love this area to be reckless after being provided with information to make a proper decision.

The cross-pollination of the Bradford Pear and the Cleveland Pear can lead to viable seeds that get dispersed by birds. The offspring of those well-mannered ornamental pears are aggressive thugs. They spread rapidly and the resulting plants are thorny invaders, choking out native wildlife habitat wherever the seedlings take hold. The problem is severe enough that many localities/states have banned the pear altogether. I love trees but I will not vote for this choice when alternatives were provided but not investigated enough. Very sad.

Re: Water and Wastewater Operations (Amendment letter to May 11, 2016 letter)

Dear Ms. Leven,

Thank you for the opportunity for allowing Tetra Tech to address and answer questions at the City Commission meeting on June 2, 2016.

Based on the discussions and feedback received from the City Commission, we reviewed the structure of our existing contract.

The Base lump sum contract amount has been \$519,996 effective July 1, 2009 plus a separate \$50,000 line item Repair and Maintenance Budget that has been allocated for use for the purchase of parts and/or services outside of the Base Contract amount. In the current Fiscal Year there have been slightly over 80 separate charges/invoices to date that have been charged to the \$50,000 Repair and Maintenance budget for a total dollar value of just over \$29,000. Of the 80 + invoices in question, Tetra Tech as paid 55+/- invoices and the City 25+/- invoices. There is a cost to Tetra Tech to process the invoices through our accounting department.

If the City is willing to assume the payments for the Repair and Maintenance invoices currently being paid for by Tetra Tech, we would be able to reduce our requested increase from 2.3% to 2.0% which would be a decrease in our proposed compensation by \$1,600.

Our proposal would then go from our proposed lump sum amount of \$531,995 annually to **\$530,395** annually.

If there are any additional questions please contact me at 810-956-9330 or kenneth.kingsley@tetrattech.com. I plan on attending you're your next City Commission meeting on June 16, 2016 as requested.

Sincerely,

Kenneth E. Kingsley, PE

DPW SUPERINTENDENT
SUBJECT: DPW ROOF
DATE: JUNE 8, 2016

Dear Board Members,

As you know, the DPW roof was recently replaced. This letter is to inform you that the total project cost went over the original bid amount of \$8,900.00. During the tear off of the old shingles, TMG Services found more damage than was previously thought to exist. The entire back valley and roof line that meets the back steel building had rot on almost every board. Therefore, the entire back valley had to be re-sheeted with osb, as well as changes made to the steel where it meets the roof line so that the problem would not happen again. The front offset also needed total re-sheeting due to rot. TMG Services bid the project for \$8,900.00, but due to the unknown rot damage, the final cost included \$600.00 of extra labor and materials, which can be seen on the attached invoice. In addition, the DPW spent \$461.16 on extra materials to complete the project.

Respectfully,

ORDINANCE NO. 2016 - 03

CITY OF MARINE CITY

COUNTY OF ST. CLAIR, MICHIGAN

AN ORDINANCE OF THE CITY OF MARINE CITY, ST. CLAIR COUNTY, MICHIGAN TO AMEND THE TRAFFIC CODE TITLE VII, CHAPTER 70 "TRAFFIC AND MOTOR VEHICLES" BY ADDING SECTION 70.002 ENTITLED "PEDESTRIANS AND RIGHTS-OF-WAY."

THE CITY OF MARINE CITY ORDAINS:

SECTION 1. AMENDMENTS.

Title VII, Chapter 70 "TRAFFIC AND MOTOR VEHICLES" is hereby amended to read as follows:

SECTION 70.002. PEDESTRIANS AND RIGHTS-OF-WAY.

(a) When traffic-control signals are not in place or are not in operation, the driver of a vehicle shall stop before entering a crosswalk and yield the right-of-way to any pedestrian stopped at the curb, curb line, or ramp leading to a crosswalk. Said driver shall also yield the right-of-way to every pedestrian within a crosswalk when the pedestrian is on the half of the roadway on which the vehicle is traveling, or when the pedestrian is approaching so closely from the opposite half of the roadway as to be in danger.

(b) A pedestrian shall not suddenly leave a curb or other place of safety and walk or run into a path of a vehicle that is so close that it is impossible for the driver to yield.

(c) Every pedestrian crossing a roadway at any point other than within a marked crosswalk or within an unmarked crosswalk at an intersection shall yield the right-of-way to all vehicles upon the roadway.

SECTION 2. SEVERABILITY.

This Ordinance and each of the various parts, sections, subsections, sentences, phrases, and clauses hereof are declared to be severable. If any part, section, subsection, sentence, phrase, or clause is determined to be invalid or unenforceable by a court of competent jurisdiction,

it is hereby provided that the remainder of the Ordinance shall not be affected thereby and shall remain in full force and effect.

SECTION 3. REPEAL OF ORDINANCES IN CONFLICT HEREWITH.

Any and all Ordinances of the City of Marine City or any parts or provisions thereof, to the extent that they are contrary to or inconsistent with the provisions of the within Ordinance, are hereby expressly repealed.

SECTION 4. RATIFICATION.

All other provisions of the Code of Ordinances of the City of Marine City, Michigan except as herein modified or amended are hereby expressly ratified and affirmed.

SECTION 5. PUBLICATION.

This Ordinance shall be published in accordance with the terms, provisions, and requirements of the City Charter of the City of Marine City, Michigan, and in accordance with and to the extent required by the statutes of the State of Michigan.

SECTION 6. EFFECTIVE DATE.

MARINE CITY SIDEWALK INSPECTION PROGRAM

This sidewalk repair/replacement plan was developed to reduce slip, trip, and fall incidents in our community. This type of program reduces liability and adds value to the entire city.

1. Inspections of the sidewalks on community-owned and private property will be conducted annually by zone. One zone per year will be inspected until all zones are completed with the process starting over at that point. Property owners outside the current inspection zone may also apply for inspection and replacement at the Building Department at this time.
2. The Sidewalk Inspection Report will be used during the annual inspection(s). This information will be kept on record for the property. General sidewalk defect criteria is as follows:
 - A. Type-C:
 - i. A section is cracked in three pieces or less
 - ii. Cracks are 1/8 inch wide or less
 - a. Repair: Crack seal as required
 - B. Type-D:
 - i. A section is depressed or raised more than three (3) inches from the normal line of grade
 - a. Repair: Replace or lift
 - C. Type-S:
 - i. A section has a side slope (width) of more than one inch for every twelve
 - a. Repair: Replace or lift
 - D. Type-V:
 - i. A section is displaced $\frac{3}{4}$ inch or more vertically at any point in the section
 - a. Repair: Replace or grind
 - E. Type-X:
 - i. A section has cracks exceeding 1/8 inch wide; has shifted more than 1 inch section to section
 - ii. A section is raised more than 3 inches from the normal line of grade
 - iii. A section is cracked into 4 or more pieces or is missing a full depth piece of any size

MARINE CITY SIDEWALK INSPECTION PROGRAM

- iv. A section is spalled 75% or more over the surface, has a spalled area deeper than 1 inch, has loose or deteriorating damage over the majority of the surface.
 - a. Repair: All Type-X defects require replacement
3. The most hazardous sidewalks will be given priority and targeted for repair/replacement first within a zone. After inspecting and marking sidewalks at a property a Sidewalk Repair and Replacement Program brochure will be taped to the front door.
4. Notices will be sent to the affected property owners describing the sidewalk improvements required.
5. The estimated repair/replacement costs will be provided to the property owner using pricing from a preapproved city contractor. The responsibility for the cost of the repair/replacement will be determined as part of the notification process prior to the start of work.
6. Owners of property will be allowed to request that additional sections of sidewalk be replaced if these sections are cracked or broken, but not hazardous, or if the owner wishes to have their total sidewalk replaced. The contractor may elect to do private work although he/she is not obligated to do so. With all private work, the owner and the contractor must negotiate the terms, including cost and payment. Proper permits must be obtained from Marine City Building Department.
7. Property owners will have the following options to complete the sidewalk improvements:
 - A. Owners may hire a licensed contractor to repair/replace the flagged sidewalk areas. The contractor will need to secure a permit from the Marine City Building Department prior to starting any work.
 - B. Owners may choose to replace the flagged sidewalk areas themselves. The owner will need to secure a permit from the Marine City Building Department prior to starting any work using approved concrete.
 - C. The property owners may contact the building department for payment and scheduling using the City's contractor within the 60 day window. No permit will be required if the city schedules the work through our approved contractor.

MARINE CITY SIDEWALK INSPECTION PROGRAM

- D. For property owners that do not contract the City for payment/scheduling/or permit purchase:
- a. A **Final Notice Letter** will be sent to any property owner that has not contacted the Building Department by the 60th day.
 - i. The Final Notice will provide an additional 15 days to contact the Building Department
 - ii. If no contact has been made, on the 16th day these properties will automatically be scheduled for repair/replacement/installation using the City's contractor.
 - iii. A processing fee of \$35.00 and interest calculation using 6% starting from the completion date (60 day) will be added to the total replacement costs and placed on the property tax bill as a Special Assessment Lien payable by the closing of the current tax year. The list of Special Assessments (Water, Building, Sidewalks, etc) will be brought to the city commission for approval at the end of the tax year as currently done. This will not include any private work contracted by the property owner.
 8. If a property owner objects to the need for sidewalk repair, replacement, or installation the property owner may appeal the notice to the Building Official and then the City Manager. If a resolution cannot be reached at that level the property owner may petition the Marine City Zoning Board of Appeals through its regular process. A \$25.00 processing fee will be required to present their case to the ZBA.
 - a. **NOTE:** The Board shall only discuss whether the required work meets the criteria for repair/replacement/installation but not the ability to pay for the repairs.
 9. All sidewalk repair/replacement/installation will be done to local specification, and must meet ADA requirements. Handicap ramp updates, if required, will be constructed according to local specifications at the time of the sidewalk replacement. **The cost for handicap ramp updates will be covered by the City.**

MARINE CITY SIDEWALK INSPECTION PROGRAM

10. High-quality construction and materials meeting the following standards shall be used to make all repairs.
 - a. All sidewalks shall be a minimum of 4" in depth, except for sidewalks that abut the driveway; these shall be a minimum of 6" in depth.
 - b. Repairs made to existing sidewalks shall be made to the original width and section length.
 - c. New sidewalk shall be 5' in width in 4' sections.
 - d. All sidewalks shall be formed and poured concrete with a minimum compression strength of 3500 psi. There shall be no exceptions.
 - e. The base of all new and repaired sidewalks shall be compacted stone or sand.
11. Areas that do not fall within the above criteria but are hazardous will require replacement.
 - A. Connections (Between sidewalks, streets, etc)
 - B. Water management (Low or high sections, etc)

SIDEWALK INSPECTION TIMELINE

April – July, 2016	Complete inspection of selected zones: Inspect, mark, and send required repair notice letters to property owners of record. Re: Library Board

Dear Mayor Skotarczyk and Commissioners:

I am requesting to be considered for renewal as a Library board member for the Marine City Library. I am a firm believer that the library plays a fundamental role in our community through the resources and services they offer. I have been a patron of the library since 1992 and have enjoyed being a part of the board these last three years. I would be honored to continue to be an advocate of such an important part of our community.

Thank You,

2016 Millage Reduction Fraction Computation

This form issued under authority of Sections 211.34d and 211.150, M.C.L. Filing of this form is mandatory. Failure to file is punishable under Section 211.119, M.C.L.

INSTRUCTIONS: This form is to be completed by the county equalization director for all taxing jurisdictions which levy a property tax in his/her county. This form is to be filed with each unit of government and with the State Tax Commission. Also provide a copy of this form to the equalization director of each county which shares an intercounty taxing jurisdiction. On this initial computation form, the 2016 millage reduction fraction (MRF) can be calculated only for taxing jurisdictions located exclusively within a single county. This will include the county unit as well as all townships and nearly every city and village. The MRF for a school district which is not fractional with any other county can also be calculated and listed on the form. For any taxing jurisdiction which extends into one or more other counties, leave the MRF column blank and enter the notation "IC" for intercounty.
