OPERATING MILLAGE PROPOSAL**

This proposal will allow the school district to levy the statutory rate of not to exceed 18 mills on all property, except principal residence and other property exempted by law, required for the school district to receive its revenue per pupil foundation allowance.

Shall the limitation on the amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, in East China School District, St. Clair County, Michigan, be increased by 19 mills (\$19.00 on each \$1,000 of taxable valuation) for a period of 9 years, 2016 to 2024, inclusive, to provide funds for operating purposes; the estimate of the revenue the school district will collect if the millage is approved and levied in 2016 is approximately \$164,000 and in 2017 is approximately \$15,244,000?
